"BURLEY" FOOTBALLS have been made in W.A. for 50 years

BURLEY FOOTBALLS were used in the Interstate matches, Victoria v. W.A. and South Australia v. W.A. Also used in the Essendon v. W.A. matches. This proves BURLEY superiority.

SUPREMACY

Is it good for the individual teams, for the Sunday League, and for football generally when a club which has held obvious superiority for years suddenly finds itself challenged, and successfully, by teams which it had previously regarded as inferior?

We believe it is. There is no occasion to gloat over the fact that Scarborough has been defeated three times running after an unbroken run of wins extending for years. In fact, no one can afford to gloat, as Scarborough will probably demonstrate before the season is over. But for one team to be regarded as unbeatable isn't good for an Association. It is invigorating to always have unanswered the question "Which is the best team?"

That question, and the hope that it will be answered, will draw a big crowd to today's match between Hellenic and Metropolitan at Haig Park. Have Metropolitans an answer to Hellenic's crack goalsneak? Hal-doupis is in brilliant form this season and could be a matchwinner today. But Hellenics may feel the loss of the Marinko brothers, and with Neville Roberts and Noah Lee playing as they have been, Metropolitan's ruck may dominate. But then Hellenics may be able to counter this with a fast and vigorous roving division led by Captain Nick Gelavis.

All supposition, of course, but it's

refreshing to be able to indulge in it. That's what makes a game attractive. And if the question which of these two teams is the better still remains after today's game, not only the teams themselves, but their supporters and the public generally will await their next meeting with keen anticipation.

Explanation

In an attempt to brighten this publication and make it, not only more readable, but more widely read, the editor adopted the format in which the Review has appeared this season. This is in conformity with modern practice, and although it has involved additional work, that was considered worthwhile in the interests of the Association.

Unfortunately, the Executive disapproves, and under pressure the editor is reverting to the old style. He does this reluctantly because he believes it will detract from the magazine.

News From The Clubs

Leederville

Our players are now insured thanks to our Patron and Vice-Patron. But they would like you to be at training as the 20 players' names have to be in by Saturday. So show your appreciation chaps. Last Sunday we had another victory but the Maylands boys showed a lot of spirit and sportsmanship.

Our social evening was a great success, let's make the next one better.

We wish Barry Curtiss a speedy recovery from the injury he received the other week, also congratulations to Brian Purslowe who kicked 4

goals. Brian had his leg strapped up like Bernborough. Nice going coach. Our boundary umpire had to play on Sunday kicking two goals, one over his head. Was that a Rugby kick Jim?

West Leederville schoolboys are now being coached by our club.

Daily News

We wish to thank our Ladies' Committee for the wonderful job they did in supplying afternoon tea under the very adverse weather conditions last week.

Metropolitan

The club certainly have a League footballer of the future in young Ivan Cooper, this lad is only 15 years of age and in his game against Scarborough last week was worthy of a man 10 years his senior and with League experience. Noah "Dixie" Lee certainly played a Captain's game for us last Sunday, in everything right from the start he was instrumental in helping his side record their first win over Scarborough.

We still have players on the training list who have not yet had a run with the team, bear with the club you chaps and others who are not regular players, your turn will come. Remember a team is only as good as its reserves make it and the worst enemy of any club is trying to satisfy all.

Seems we have in the Fitzgerald brothers, 2 players who don't know the meaning of fear, these boys have only been out from Ireland about 3 years, but by their play appear to have grown up in the game. Myles Fitzgerald was on Subiaco's training list at the beginning of the season but returned to us after a few games in the Colts. The weather certainly wasn't the best for football last Sunday, believe Ken Ebbs is going to bring an umbrella for future games, just in case.

Messrs. O'Connell and Davies, our trainer and ambulance man, are certainly kept busy these days attending players suffering soreness etc., games must be getting harder or players softer, as in the old days when the

club didn't have trainers, no one complained of sore spots.

We certainly have a good following of supporters this year, so necessary for any team. Way out in front is Mrs. Scott, who every week is seen on the sidelines urging the boys on. Another is President "Grandad" Hardie, who still has itchy feet and reckons he could still show the youngsters a thing or two about the game.

Rockingham

Congratulations to Norm Snow for his outstanding defence in the match against Osborne Park. He won this week's trophy unanimously.

We have lost two players in Dale Trewenack, who has been transferred to Port Hedland. Was it very cold catching the plane at 5 a.m. on Wednesday morning; also Kevin Curley who has gone bush. Really can't afford to lose them from the side.

Bad luck for Stock who was rushed to hospital for X-ray of a suspected fractured arm. We hope it is not so, and everyone wishes you a quick recovery and return to the side.

We held a very successful player's tea last Thursday. Everyone wants more of these functions.

Maylands

To our thirteen players who battled hard against Leederville we offer thanks, but to those who are afraid of a bit of rain we hope it's fine for next week's encounter with Sandovers.

Bruce Turner was the best man afield. He rucked the full four quarters and enjoyed every minute of it.

Alf Taylor's injury has us worried, he missed last week's game but we hope he is fit for today's encounter. "Grandad" Kennedy went home for his boots and helped out. "Grandad" must be nearing forty but he managed to get some kicks.

Vic Wallace plays his 100th game today.

Max Bennett plays his last game for us today. He's going into the Navy and we wish him "Bon Voyage."

Tom Grenfell is out of hospital and was at the game. Good to see you up and about again Tom.

G. Pozzi, Cardinals Captain-coach is in an envious position of having to pick a team from a back-to-normal training list. For once this season all players are reported fit, making selection of the first 20 tougher. Keep up the good work coach. Two players in E. Martino and B. A. Lofts expect to make a come back soon after a long absence through injuries.

O. Santich, ex-captain-coach made a spectacular come back last Sunday against Mails. Playing with his old dash and vigour.

Congratulations to our goalkeeper E. Nizzola on his recent engagement. Wish Elio and Anna-Maria luck. Also to G. Boylan on his engagement. Wish Gerry and his fiancée the best for the future.

Railways

Congratulations to Hellenics for adapting themselves well to the adverse weather conditions, and atrocious state of the Claremont Showgrounds, thereby taking out an easy victory of what may be termed "The Claremont Swim Thru." Our boys adapted themselves well to the conditions.

The players' tea and party was an outstanding success in every way. We must thank our host and hostess—Mr. and Mrs. Urquhart—we say a big thank you. Notable personalities at the party were Queen of the Gypsies, The Earl of England and Marilyn Munro. The fashion parade, styling the latest in head-gear was a highlight, and the frocking of the manequins showed the curvacious beauties to advantage.

Railways Club says thank you Dr. Lekias for the attention you gave to Brian Pitcher, who was injured in the last few minutes of the game.

Out of our original side formed in 1954 to take over from the old Telegraphs side only 4 members are now still playing with the team. These are Chas McGillivray, now vice-captain and this season approaching his 50th game for the club, Fred Spencer who made a successful comeback this season after a season's spell and Ron Fleming and Graeme Whitehorn still mowing them down from the back pocket. In addition Andy Mills from the 54 side is now players' representative on the selection committee and still prominent in club affairs whilst Jim Ames is still President for his fourth term. Tony Mulligan is another who has been with the side since its inception and now is doing a stirring job as goal umpire.

A very successful social evening on Friday week was enjoyed by a large crowd of players and supporters and helped to swell the finances for our Kellerberrin trip. Another such evening is being contemplated.

On Friday, June 21, we start the first of our monthly dances. Venue being the P.M.G. Workshops, Crowther Street (off Guildford Road), Bayswater. All welcome.

Last Sunday's match ended in a real torrent of rain—our back line were freezing most of the day and in the last quarter all bar 2 or 3 of them converged on the forwards in an endeavour to keep warm. Centre half-back Peter Hardingham showed the forwards how it should be done by booting a lovely goal just before the final bell.

Coach Ray Hawks showed a partial return to form by booting 2 majors but all our forwards are still missing far too many easy shots. Brighten up before we meet the Park boys.

Brian Purnich playing his first full match—previously came on as a reserve—was unlucky to twist his knee and had to leave the field at half-time—bad luck Brian.

All players intending to make the Kellerberrin trip please ensure Peter McGillivray has your name as soon as possible, accommodation must be arranged.

Our lucky numbers last week were 67 and 103. Another this week.

Club Notes

(Continued from page 10)

(W.A. Division) to establish a uniform colour scheme for all Institute sporting teams—emerald green as the predominating colour with individual club trimmings seems to be the most favoured—will seem strange to see Postals in colours other than the old blue and white.

North Perth

Once again black shorts have paid off, you may not recall but each game we have won to date has been in black. This could be an omen signifying a "Black Day" for Scarborough.

The slight concussion Dave Vadanovic collected during the Railways match doesn't seem to have affected his play, judging by last week's game.

Ted Johns leaves us this week. Believe his employers have posted him to Narragin. Good luck Ted.

The three ladies with the parcel of goodies who materialised between showers last week were definitely our supporters, if you didn't recognise them from their spirited bar-racking they were Mesdames Mallor, Mangnall and Tombs, who are exceeding all expectations in their efforts toward those incentive payments mentioned a few weeks ago.

Hellenic

Hellenic supporters please note that the game against North Perth at Forrest Park on June 30, will begin at 2 p.m. The reason for this is so that our Touring Party may proceed straight to the Perth Railway Station where the train to Melbourne will leave at 6.50 p.m. Thirty-two players and officials will represent the Club on this the first ever interstate trip by a S.N.F.L. club.

Our win against Railways was again the result of teamwork. All players pulled their weight and their handballing in the wet was very good.

We wish to thank Don and Ray Marinko for their services this year. We are delighted that both boys are going back to League football and wish them the best of luck. Again thank you.

Sandovers

We are still hard hit with injuries and two more last Sunday have made matters worse. Believe there is a rumour that we are only half trained—come down to Wellington Square and see us some Tuesday or Wednesday night.

Must thank Mr. and Mrs. Cavanaugh for the use of their home, also the ladies' committee for the job that they are doing.

Mails

Following the example set by another team (also with blue and black colours) we bombarded the points twelve times. New champion point kicker is Johnny Mackie, who got six points. Johnny, a rover, played very well despite his slightly inaccurate kicking. A Cardinal's official commented on the way the team fought it out right to the end despite the fact that we were a long way behind and finished with only 17 men.

Congratulations to Marius and Cynthia Matsen. Pity it wasn't a son, we badly need some players.
